About us

We are a London based, full-service law firm, specialising in providing straightforward advice on domestic and international matters. With almost 200 lawyers in one location, we ensure our clients have the right team to help them get from where they are to where they want to be. We advise major corporates and institutions as well as entrepreneurial, ambitious enterprises which are often privately or family owned, or private equity backed. As well as our significant business law capability, we are one of only a few London-based law firms with a large private wealth offering. Our clients find our straightforward approach a compelling alternative to larger, less personal firms.

We are a firm with ambitious plans. In the international arena, we have been a member of Meritas and Lawyers Associated Worldwide for many years working with a truly global range of clients across the Middle East and Israel, Africa, Asian subcontinent, Far East, Western Europe, and the US.

Our Values

Our values act as a built-in compass, guiding us in the way we behave, the things we say and the decisions we make.

Responsible Business

Guided by our values, we're committed to inclusively and sustainably supporting our people, our clients, our communities, and the environment.

At Howard Kennedy, we take our responsibility to manage the impact we have on the world in which we operate, seriously. That's why responsible business is a core part of our business strategy. It's seen as essential in helping us achieve our vision to be a progressive, independent and profitable business

As a responsible business we focus on:

- **People:** Nurturing an inclusive, values-driven culture where everyone can be themselves, with their development and wellbeing at the centre.
- **Environment:** Working to reduce our environmental impact and promote environmental awareness and responsibility among our people.
- **Social Impact:** Promoting equality of opportunity and access to justice by sharing our time and skills through volunteering, fundraising and pro bono services.
- **Ethics:** Ensuring and maintaining the highest standards of professional integrity, operating ethically with clear and transparent governance.
- **Supply Chain:** Working with suppliers who are compliant, responsible and share the same values as we do.
- **Additional:** We're helping our clients to achieve their own Environmental, Social and Governance (ESG) ambitions offering support with a range of issues.

The Role

Finance Business Partner

The Finance Business Partner role involves collaborating with fee earners and key stakeholders to ensure the achievement of departmental strategic and financial goals while maintaining strong financial hygiene practices across the business. It offers the opportunity to play a critical role in driving financial success and operational improvements across the firm.

The role sits within the Finance department, with a dotted reporting line to Heads of Departments (HoDs) and the Head of Operations (HoOps) and will collaborate across various teams, including other areas of Business Services to drive financial and operational performance. The role includes management of the Revenue Controller(s).

You will be an integral part of driving the success of the respective department forward and will be tasked with effecting demonstrable change in working practices and performance by promoting a best-in-class philosophy and strategic financial decision making.

Main Responsibilities

Pricing & profitability

- Collaborate with the Business Development (BD) team and fee earners to assist with fee estimates for client pitches, ensuring understanding of profitability implications within the fee earning groups
- Review existing client relationships and collaborate with partners to suggest improved fee structures aimed at enhancing profitability
- Conduct detailed profitability analysis of our clients by work type, team and department and discuss findings with partners, to help identify BD opportunities.

Revenue growth

- Work with fee earners to maximise billing, regularly reviewing work in progress (WIP) and obtaining pledge estimates where necessary
- For significant new matters (above £100k), work with the Revenue Controller(s) to review the fee structure and assist fee earners with matter management. This involves monitoring WIP against the original estimate and raising to fee earners when scope and/or fee discussions are required with the client.
- Identify and monitor at risk WIP to prevent unnecessary write-offs, leveraging dashboards for real time tracking
- Assist the Revenue Controller(s) with reviewing commercial fee arrangement (CFAs) and deferred billing arrangement (DBA) proposals to ensure they are commercially viable and assist fee earners with the approval process
- Work with the Revenue Controller(s) to provide a monthly review of CFA's and DBA's to the Head of Finance and HoD.
- Input to the annual budget and quarterly reforecasting processes to set fees and headcount to deliver a Gross Profit Margin as per the business plan
- Regularly compile financial metrics required by HoDs to monitor and manage gross profit and contribution in order to reach their targets. Assist HoDs and Heads of Teams (HoTs) to understand their financial performance, identifying any issues and supporting them to resolve these and deliver exceptional performance
- Analyse results from the biyearly WIP write off and annual FRS5 valuation exercises, identifying areas to improve recoverability and work with HoOps and HoDs to implement new processes to reduce write offs.
- Assist in streamlining the annual rate-setting process, including development of team/client specific rates and review all client/matter specific rates
- Brief HoDs and HoOps on a weekly and monthly basis

Main Responsibilities

Smart Working

- Collaborate with fee earners to reduce lock up days to a minimum of 120, address WIP and debt concerns in conjunction with the Credit Control team and raise issues with the Head of Finance for next steps
- Investigate and resolve financial queries promptly (within 2 working days)
- Manage ad-hoc finance-related projects, from ideation through to requirements gathering, proposal, design and delivery
- Assess current processes and reporting practices, identifying opportunities for greater efficiencies
- Support practice management system upgrade projects, including testing, training and documentation

People Management

- Effectively manage Revenue Controller(s), conducting performance reviews and ensuring their positive personal development
- Delegate tasks effectively to allow for team efficiency and good workflow management

Risk and Quality

- Oversee the handover process for files from fee earners leaving the firm, ensuring proper reassignment of Matter Partners and Client Relationship Partner (CRP) roles and the documentation of WIP, debt and residual balances.
- Follow up with teams about residual balances and progress made to clear balances
- Provide training on finance fundamentals to raise financial awareness and understanding across the firm

About you

You will be able to demonstrate:

- Proven relevant experience in a Finance Business Partner or similar role within a professional services environment
- Experience as either a full or part Qualified accountant (CIMA, ACA, ACCA)
- Strong financial acumen and ability to interpret data and communicate complex financial data
- Ability to collaborate effectively with a wide range of senior stakeholders, including fee earners, business services functions and senior management
- Excellent problem-solving skills with a proactive approach to identifying financial risks and opportunities
- Previous experience advising fee earners on pricing strategies and profitability management in a professional services environment
- Proven ability to manage and lead teams effectively, fostering development and achieving performance goals
- High level of attention to detail and accuracy, with the ability to prioritise multiple tasks and meet tight deadlines
- Excellent communication skills, both written and verbal, with the ability to present financial information to non-financial stakeholders
